

# Online Scheduling That Drives More Bookings

A flexible, 24/7 booking system designed to simplify scheduling, reduce admin work, and attract new patients.

## Make booking an appointment convenient and easy.

### 24/7 INSTANT BOOKING

Patients can book anytime, even outside office hours, through a simple online process.

### CUSTOMIZABLE SCHEDULING CONTROL

Vustomize appointment types, providers, and availability so your schedule matches your workflow.

### INSURANCE COLLECTION MADE EASY

Capture patient and insurance details upfront to streamline check-ins.

### REAL-TIME AVAILABILITY

Live updates ensure accurate availability, prevent double bookings, and allow same-day appointments.

### BUILT TO ATTRACT NEW PATIENTS

Embed it on your website and Google profile to help attract and convert new patients.

### SEAMLESS PMS INTEGRATION

Integrates with your PMS to ensure appointments stay synced and up to date.
